STANDARDOWE WYMIARY PANELI

STANDART DIMENSION OF PANELS

Wszystkie nasze grafiki ściennie są standardowo zaprojektowane na wymiar 500 x 300 cm. Tapety WonderWall można zamawiać w rolkach 100 x 300 cm, od jednej do pięciu.

Każdą tapetę możemy także bezpłatnie dostosować pod indywidualny wymiar. Na życzenie wprowadzimy też drobne zmiany tonacji kolorystycznej całości wzoru lub przygotujemy grafikę w tzw. lustrzanym odbiciu.

By default, our wallpapers are designed with 500 x 300 cm (H) walls in mind. You may order your new WonderWall wallpaper in one to five rolls of 100 x 300 cm (H) each. All our wallpapers can also be customised to fit the dimensions of your wall, free of charge. On request, we can also introduce minor colour changes to the whole pattern or prepare a mirror image of the design.

DOPASOWANIE GRAFICZNE

DESIGN CUSTOMISATION

WonderWall Studio oferuje dodatkową usługę odpłatnej personalizacji wzorów, by umożliwić klientom dopasowanie wybranej tapety pod indywidualne potrzeby. Zmiana układu kompozycyjnego dla nietypowej wielkości ściany, korekta kolorystyczna całości czy części wzoru, zmniejszenie lub powiększenie poszczególnych elementów – to możliwe. Nasi graficy są zawsze gotowi do zadań specjalnych.

Oznaczyliśmy wzory z możliwością indywidualnej personalizacji. Szukaj tapet ze specjalnym znacznikiem.

WonderWall Studio offers an additional paid customisation service to enable our customers to change the wallpaper to suit their individual tastes and needs. Changing the composition for a non-standard wall size, colour correction of the whole or part of the pattern, enlarging individual elements or making them smaller – everything is possible. Our graphic designers are always up and ready for special tasks.

All the customisable designs are marked as such. Look for wallpapers with a special mark.
